

Kansas City

Medicare Resources

Blue Cross and Blue Shield of Kansas City (Blue KC) makes transitioning your employees to Medicare easy! We have the resources with you mind, and Blue KC is here to support you!

Blue KC Medicare Advisors are ready and available to help with:

Employer, HR, and employee questions

Not sure how to answer your employees' questions on Medicare? Your Blue KC Medicare Advisor team can answer those questions for you.

One-on-one employee consultations

Health insurance and Medicare are personal, and our advisors can meet with your employees one-on-one to personalize their options. Blue KC Medicare Advisors will also review and provide a cost analysis on prescription drug coverage along with provider network access.

In-person or virtual Medicare seminars

Get employees together and learn about Medicare. It's never too early to start planning and these seminars give a great overview of what Medicare is and how it works presented by licensed Blue KC Medicare Advisors.

Enrollment transition

Trusted, local Blue KC Medicare Advisors can assist with a seamless transition from group to Medicare coverage.

If you have questions, please contact your Medicare Advisors at:

Medicare and Individual Plans

Whether your employees are approaching retirement or needing additional coverage, Blue KC has all the plan options to be there when employees need us most.

Medicare Supplement

Also known as MediGap. Medigap plans generally help cover costs for services that are not covered by Original Medicare (Part A and Part B) and allow you to see any nationwide doctor specialist, or hospital that accepts Medicare.

ACA Individual & Family Plans

Blue KC makes it easy for individuals and families to buy quality health plans through the Affordable Care Act (ACA).

Short-term Plans

Preferred-Care Short-Term PPO plans provide temporary coverage with limited benefits to cover hospital, physician and emergency services, as well as many specialized services. Policies are medically underwritten and do not cover preexisting conditions.

Dental

Dental health plays a vital role in overall health, we offer comprehensive plans at attractive prices. All Blue Dental Plans cover in-network preventive dental services at 100% when you see a PPO provider.

Travel (GeoBlue)

GeoBlue® offers unsurpassed medical insurance and trip protection through one of the world's largest networks of doctors and hospitals.
